

### Badge in Professional Accounting

The College of Business will issue a badge in Professional Accounting to an individual who successfully completes at least 12 semester credit hours in courses that are part of the Professional Accounting Career Program. The student must have a GPA in these 12 credit hours of at least 2.5. The badge will be issued by the College of Business and signed by the College of Business Dean. Once these requirements have been met, the student must contact the COB Dean's Office and request that the badge be issued. Courses taken beginning with the fall 2015 semester qualify for inclusion in the badge requirements.

The courses that provide credit towards the badge are as follows:
