Class B Total	73.81%	31	42	70.43%	46	61				19.67%	12	31

Note: Total Completers Tracked is not always equal to the number of completers in that area in the given semester. This data was provided to the UNA EPP by the Alabama State Department of Education (ALSDOE). It only includes completers who have been employed in public schools in Alabama. It does not include employment information for completers hired by private schools.
