

MAKE \$2,500 IN A SEMESTER

BY BEING AN

INSTITUTE FELLOW

Plus:

- **Beef up your resume**
- **Gain experience**
- **Network with industry**

Student fellows will work on independent projects that support regional entrepreneurial and economic development activity. Each project will be in partnership with a local company, non-profit, or governmental organization and will be mentored by a UNA faculty or staff member.

OPEN TO ALL UNA STUDENTS REGARDLESS OF MAJOR

Fellowships are competitive and will be awarded based on review by University leadership and local businesses. Successful candidates for fellowship will demonstrate strong academic rigor and be involved in experiential learning such as clubs, internships, study abroad, and research.
