

APPLICATION FOR GRADUATE ASSISTANTSHIP

**Department of Kinesiology
College of Education and Human Sciences
University of North Alabama**

Applicants for GA positions in the Department of Kinesiology are strongly encouraged to visit the UNA campus and the department to informally interview with faculty members early in the spring term (for beginning graduate school in the upcoming fall term). Alternatively, when a campus visit is not possible, applicants are encouraged to meet with departmental faculty at a professional meeting or discuss the graduate program with at least one faculty member in the concentration in which they intend to study in an informal phone/virtual interview.

NOTE: Students applying for a GA position should concurrently apply for admission to the UNA Graduate School. Admission is required to accept a GA position. All documents should be submitted early in the term prior to the term in which applicant intends to start the program.
