

Degree Works GPA Calculators

Degree Works has several GPA calculators that may be used.

1. Access Degree Works via the UNA Portal. Click on the Academics tab and select Degree Works under the Degree Planning link.
2. Once you have logged into Degree Works, you will be taken to your Degree Audit Worksheet.
3. Select the GPA calculators by clicking ellipse menu from the right-hand corner and clicking GPA calculator.

4. You will have access to three GPA calculators.

5. The Graduation Calculator helps you determine academic goals that must be met to produce a desired GPA. You must input all required information;
 - a. Credit Hours Remaining- Enter the remaining credit hours you must complete for your degree program. For example, your program is 120 hours and you have completed 60 hours. You would enter 60 remaining credit hours.
 - b. Credit Hours Required- Enter the overall credit hours required for your program. The 'Credit Hours Required' hyperlink can help you locate this information on your audit if you are unsure.
 - c. Desired Institutional GPA- Enter the GPA you would like to earn.

By clicking 'Calculate', the Graduation Calculator will provide you with advice with how to achieve your desired GPA.

Current GPA *
3.28

Credits remaining *
36

Credits required *
120

Desired GPA *
3.4

Graduation Calculator Term Calculator Advice Calculator

You need to average a 3.68 over your final 36 credits to graduate with your desired GPA.

Current GPA	3.28
Credits remaining	36
Credits required	120
Desired GPA	3.4

6. The Term Calculator will calculate a projected GPA based on estimated grades for the semester. Select the grades you estimate that you will earn in each course listed and click 'Calculate'.

Graduation Calculator Term Calculator Advice Calculator

Enter the grades you expect to earn for your in-progress classes to calculate your GPA at the end of this term.

Current GPA *
3.28

Credits earned *
