Scenario: Active Shooter Incident—Expelled Nursing Student Returns to Campus at Anderson College of Nursing and Health Professions

Exercise Leader: Wesley Tidwell- Florence Lauderdale EMA

The group discussed how to respond during a shooting, how to set up an incident command, how to notify campus, who notifies media, how to secure the scene. Once the suspect is neutralized the group discussed how to move to reunification, set up counseling, begin triaging injuries, and creating media releases.

The Florence Fire Department and Lifeguard Ambulance gave overviews of how they would handle the incident and how to secure the scenes, which included how to shut down intersections, where to pick up patients, how to set up a triage zone, and how to land helicopters.

The Tabletop Exercise ended at 4 p.m.
