Constituent Group:	CASE: Day 2
Meeting Date:	September 6, 20223
Meeting Time:	2:00:00 PM
Meeting Location:	GUC Performance Center

Data points collected:

Strengths	Weaknesses	Opportunities	Threats/Challenges
Small class sizes	Parking/Infrastructure	Alumni network with current students (job fair, internships)	Maintaining quality of instruction (grew too fast)
One on one time with students	Open enrollment (no test scores required)	International students / diversity	Maintaining academic integrity of online classes (testing, cheating, etc)
Undergraduate research	Changing software platforms too frequently	Interdisciplinary collaboration	Overrealiance on adjuncts (not replacing Tenure Track faculty)
Face to face classes	Frequent network outages	Focus on quality of academics instead of growth (student numbers)	MOLD / Safe work environment / Facilities / Deferred Maintenance
Kilby School	Hiring freezes/not enough faculty	Build/enhance relationships between UNA & Shoals communities	Network reliability
		Define who UNA is in terms of our place in the region/state	Push to move more classes online vs. F2F / Lowering standards to keep enrollment up
