UNA SGA

2021-2022 REPORT

STRIVING TO BE PROACTIVE AND TRANSPARENT

Revised as of February 2, 2022
At the beginning of the Fall 2021 semester, the University of North Alabama Student Government Association (UNA SGA) identified goals for the year. The UNA SGA identified the following desired outcomes:

- To foster a more inclusive environment in SGA and in the UNA community.
- To increase trust in SGA and the administration from the student population.
- To be more established and acknowledged.
- To have an improved representation of different academic departments.
- To have an increased awareness of SGA’s function, effect, and responsibility.
- To see an increase in state funding from the Education Trust Fund.
- To engage in real, existing issues in the UNA community.

To accomplish these ambitions, SGA has identified two key ideas, to be proactive and transparent. SGA has compiled several action items for each idea.

**PROACTIVE**

- Emphasis and focus on recruitment.
- Actively be available and willing to volunteer and help with any needs.
- Be present at events, on campus, and in the community.
- Communicate with state legislators about the critical underfunding of the institution.

**TRANSPARENT**

- Publish SGA members’ contact information online.
- Publicize agendas, minutes, bills, resolutions, and other legislation online.
- Promote public attendance and awareness of SGA meetings.
- Broadcast SGA meetings on social media outlets.
The UNA SGA achieved many of its goals and flourished alongside the university at large.

**THE FIGURES**

- **18 PIECES OF LEGISLATION PASSED**
- **20 OUTREACH INITIATIVES**
- **OVER 67 THOUSAND DOLLARS ALLOCATED TO STUDENT ORGANIZATIONS**
