### Spotlight:

As an incoming Freshman coming to UNA, I knew that I wanted to help make a difference on campus. I had the honor of serving as a Freshman Forum Delegate on the Student Welfare Committee, which allowed me to help better the experience of students here on campus. As my time serving as a Freshman Forum Delegate came to an end, I knew that I did not want my time serving UNA's students to be over and made the decision to run for a Senator position in SGA. Now, I currently serve as a Chairwoman of the Student Welfare Committee and I could not be more thankful to be able to serve the students and campus that have given me so much to me. It is truly a privilege to serve this university and its wonderful students and I am forever grateful for this opportunity!
