# GENERAL INFORMATION AND RESOURCES

## ACADEMIC CALENDAR

UNA Academic Calendar and Schedule of Classes may be found online.

## CAMPUS SUSTAINABILITY

The University of North Alabama is a beautiful place for photographing moments of your special occasions. Throughout the year, graduates and others are on campus to capture images at some of our most iconic locations, including the Harrison Fountain, the President's Home, and the George H. Carroll Lion Habitat. We ask that you use:

- Flower petals
- Plant or bird seed
- Vanishing confetti
- Ribbon wands
- Bubbles

Avoid paper, plastic, and/or foil confetti as part of your Instagram-worthy shots. This kind of confetti takes a toll on our environmental footprint, clogging our drains and pumps and getting scattered throughout flowerbeds and walkways. It also can be mistaken for food by birds and other wildlife. Quite simply, throwing confetti and leaving it behind is littering. We take pride in the appearance of our campus, and we ask that you please help us keep the UNA campus beautiful and environmentally sustainable as well as safe for birds and other wildlife.

## CARE TEAM

**LOCATION:** Guillot University Center, Suite 202

The CARE Team (Campus Assistance, Referral, and Evaluation Team) is here to support UNA students. We believe all students deserve a safe, happy, and healthy college experience. Early response to the needs of distressed students can prevent increased risk and retain the student's success in and out of the classroom. Referrals help us keep students and our campus community safe.

The CARE Team is made up of representatives from Student Conduct, Student Affairs, Housing and Residence Life, the University Police Department, Student Counseling Services, Academic Success, and Disability Support Services.

If you are concerned about a student or are aware of a student in distress, you can make a referral to the CARE Team by completing the Student of Concern Referral found at [una.edu/casemanagement](http://una.edu/casemanagement).

## SIGNS OF DISTRESS INCLUDE, BUT ARE NOT LIMITED TO:

- Decline in performance or preparedness

- Repeated requests for special consideration
- Disruptive behaviors
- Excessive anxiety
- Verbal or written references to harming self or others
- Isolation/exaggerated emotional responses that are obviously inappropriate to the situation

In compliance with the Americans with Disabilities Act (ADA), service animals are permitted to be in the GUC. However, other pets and animals are not allowed inside unless special circumstances exist and permission is granted.

University Center Operations and Event Management reserves the right to move the location of any scheduled event for prudent reasons, including, but not limited to, safety, user

### STUDENT INFORMATION:

- Only students who are campus housing residents may use the university mail service to receive personal mail and packages. If not living on campus, all personal mail should be addressed to the student’s home or apartment.
- The University will not assume responsibility for money or other valuables distributed through the University

Mailroom, nor does the University guarantee delivery.

- Campus mail that cannot be delivered will be returned to the sender provided the sender’s complete and valid address is shown. Mail that cannot be returned will be destroyed.
- In accordance with postal regulations, packages may only be picked up by the person to whom the package is assigned. A UNA Mane Card must be presented to pick up a package.
- **STUDENT’S NAME on mail and packages MUST MATCH the name on the student’s UNA MANE CARD.** This helps the Mailroom guarantee that packages are directed to the right individual, especially considering the sensitive nature of some deliveries.

UNA Student Media is part of the Department of Communications and is housed in the Student Publications Building. Its staffs produce award-winning publications and digital platforms for the campus community. Students from all majors are encouraged to participate in the production of each publication; those interested in writing, business, graphic arts, digital media, marketing, and photography are especially sought. UNA Student Media provides practical experience for student editors, reporters, graphic artists, managers, sales staff, and photographers.

The *Flor-Ala* newspaper publishes every other week during fall and spring semesters. *Flow* magazine publishes once every fall and spring semester. Both publications are free and distributed throughout campus and the Shoals. *Flor-Ala* and *Flow* operate separately from UNA administration and are autonomous publications.

The Student Media Advisor in collaboration with faculty members in the Department of Communications interviews applicants for scholarship positions and selects student editors,

reporters, photographers, designers, and circulation and business staff members for each semester. Students without prior experience who want to be eligible for staff positions often work for a semester as unpaid volunteers.

# STUDENT LIFE

## STUDENT'S ROLE AND PARTICIPATION IN INSTITUTIONAL DECISION-MAKING

Students are free, individually and collectively, to express their views on issues of institutional policy and on matters of interest to the student body. The University seeks to ensure that students have appropriate input into the making of major policy, program, procedure, and budget decisions.

The Student Government Association (SGA) serves as the collective voice of the student body. The role and responsibilities of the association are described in detail in the SGA Constitution and Code of Laws. The President of the University, the Vice President for Student Affairs, and the Associate Vice President for Student Affairs maintain a close working relationship with the SGA officers. In addition to the SGA, many other student organizations and groups provide valuable advice to the university administration on matters of particular interest to their membership or to students in general.

Students participate in the deliberations of official decision-making bodies at the university. Most importantly, university committees responsible for making or recommending institutional decisions include student members. The president of the SGA meets regularly with the Board of Trustees to give student viewpoints on

issues before the Board.

The university administration uses both formal and informal means in order to maintain an awareness of the needs and views of students. The opinions of students are sought, heard, and considered in major decisions affecting virtually every facet of the university.

## CENTER FOR STUDENT ENGAGEMENT

**LOCATION:** Guillot University Center  
1st Floor, Suite 163

**PHONE:** 256.765.4248

**EMAIL:** [studentengagement@una.edu](mailto:studentengagement@una.edu)

**WEBSITE:** [una.edu/students](http://una.edu/students)

The Center for Student Engagement houses the areas of Fraternity and Sorority Life, GUC Operations and Event Management, and Student Activities and Leadership Development. The Center supports a wide variety of student-led programs designed to provide opportunities for students to become involved on campus. This includes opportunities for students to serve in leadership roles where they may obtain a variety of transferable skills such as conflict management, teamwork, personal responsibility, sharpened communication, and more. These programs should facilitate

personal growth, increase self-awareness, and enhance the perceived value of their experience at UNA. Center for Student Engagement programs include student organization registration and support, student government, student events and activities (University Program Council, Student Allocation Funding, Homecoming, Miss UNA Program, Step Sing, Mane Month), community service and outreach, and other development opportunities. The purpose of the Center for Student Engagement is to develop leaders and inspire success by supporting co-curricular student experiences.

### MANE MONTH

Student Engagement collaborates with offices and departments across campus to create a master calendar of events and activities for the first full month of the fall semester known as Mane Month. Almost every day is packed with multiple opportunities to get students involved on campus. For information, visit [una.edu/manemonth](http://una.edu/manemonth).

### UNIVERSITY PROGRAM COUNCIL

The mission of the University Program Council (UPC) is to provide student-led programming that supports a vibrant campus experience, values traditions, and creates opportunities for all student populations at UNA. The council consists of 10 paid student workers that are passionate about their campus and providing their peers with a great UNA experience through programs and events. UPC programs include events such as Bingo Bango, silent discos, tailgates, Homecoming activities,

Step Sing, Spring Concert, cultural and service events, and more. The Center for Student Engagement provides supervision and administrative support to the University Program Council. Information about UPC events and how to join UPC may be found at [una.edu/upc](http://una.edu/upc) and through Campus Groups.

### STUDENT ALLOCATION FUNDING

Registered student organization leaders also have the opportunity to plan events for campus. They may apply for Student Allocation funding each semester to cover the costs of events, so long as they are open to all students and the organization is in good standing with Student Engagement. The Student Allocation Budget Oversight Committee consists of members of Student Government Association and faculty and is advised and supported administratively by Student Activities and Leadership Development staff. More information about student allocation funding is located [here](#).

### REGISTERED STUDENT ORGANIZATIONS (RSOs)

Student organizations play an important role at the University of North Alabama. Registered Student Organizations provide unique learning experiences outside of the classroom and create opportunities for students' personal and professional development. UNA also recognizes the positive impact that student organizations can have on recruitment and retention of students.

All student organizations must register with the Center for Student Engagement through Campus Groups in order to

be recognized on campus, have access to student allocation funding, and utilize other campus resources. The registration protocol enables the university to maintain communication with student leaders, promote organizations and their activities to other students, and to provide several specialized services for student organizations.

Any university student organization that is recognized by the university is subject to the policies and procedures as outlined in the UNA Student Handbook and in the Registered Student Organization (RSO) Handbook. This handbook may be found [here](#).

## COMMUNITY SERVICE

Large-scale community service projects such as the National Volunteer Week and Lions Lend a Hand provide opportunities for students across campus to participate in serving the local community together. These events allow students to jump-start each semester by volunteering and building relationships with others.

Aside from organized events and programs, there are always opportunities for students to connect with community organizations for volunteer purposes on their own time. The Center for Student Engagement focuses on connecting students with meaningful and intentional service experiences and opportunities.

The University of North Alabama's Fraternity and Sorority Life is dedicated to enhancing the undergraduate fraternity and sorority experience by fostering an inclusive community, providing academic, personal, social, service, and leadership opportunities, and promoting a strong values-based fraternity and sorority community.

There are four governing councils which consist of over twenty active organizations: College Panhellenic Council (CPH), Independent Greek Council (IGC), Interfraternity Council (IFC), and National Pan-Hellenic Council (NPHC).

UNA defines a fraternity/sorority as an organization that exists to promote fraternal relationships and personal development; requirement for membership is subjective and is not limited to a specific field of study, class, year, etc; and members are not typically permitted to hold membership in other identified fraternities/sororities at the University. Organizations that

engage in new member education, ceremonies of initiation, ritual and/or other Fraternity and Sorority Life artifacts (e.g., bigs/littles, wearing letters, etc.) will be considered a fraternity/sorority.

The University of North Alabama requires that all fraternities/sororities, as defined above, uphold the requirements of the Office of Fraternity and Sorority Life in order to maintain good standing. Most requirements and chapter status definitions can be found in the FSL Handbook at [www.una.edu/fsl](http://www.una.edu/fsl). Fraternities and Sororities may be exempt from certain renewal and registration requirements when approved by the Office of Fraternity and Sorority Life.

A Keller Key is presented at each commencement to the honor graduate(s) who, on the basis of having earned all credits for the bachelor's degree at this university, has made the highest grade point average. The recipient(s) of the Keller Key will be identified by

## UNIVERSITY OF NORTH ALABAMA

### CODE OF STUDENT CONDUCT

#### STUDENTS RIGHTS AND RESPONSIBILITIES

Students at the University of North Alabama are responsible for knowing and staying knowledgeable of the Code of Student Conduct and its processes.

*Confidentiality of records connected to the Code of Student Conduct and the conduct process is required through the Family Educational Records Privacy Act (FERPA).*

*Waivers of FERPA may be found at: <https://www.una.edu/policies/ferpa-notification-family-educational-and-right-to-privacy-act.html>*

#### PURPOSE AND GOALS

The University of North Alabama is committed to providing a community that fosters and nurtures individual growth while promoting integrity,

community, social justice, respect, and responsibility. By promoting these foundational aspects of maturity and growth, the Code of Student Conduct seeks to provide guidance for student behavior that aligns with the mission and values of the University of North Alabama. Behavior that fails to align with the mission and values of the University of North Alabama will be addressed through a respectful, fair, and educational student conduct process.

The goals of the Code of Student Conduct and its process are:

- Provide an environment that promotes the educational mission of the University of North Alabama.
- Provide an environment that promotes the safety and health of the University of North Alabama students.
- Educate students on appropriate practice of respecting all members of the University of North Alabama community.
- Support a high ethical standard of individual and student organizational behavior.

- Allow the University of North Alabama community to hold each other accountable.
- Build a culture where students and student organizations take responsibility for actions that do not align with the mission and values of the University of North Alabama

## JURISDICTION

The Code of Student Conduct and the student conduct process applies to the conduct of students and University of North Alabama affiliated student organizations. For the purposes of student conduct, the University of North Alabama considers an individual to be a student when an offer of admission has been extended and thereafter as long as the student has a continuing educational interest in the University.

The University of North Alabama retains conduct jurisdiction over students who choose to take a leave of absence, withdraw, or have graduated for any misconduct that occurred prior to the leave, withdrawal or graduation. If sanctioned, a hold may be placed on the student's ability to re-enroll and/or obtain official transcripts and/or graduate. All sanctions must be satisfied prior to re-enrollment eligibility.

The Code of Student Conduct applies to behaviors that take place on the campus, at UNA-sponsored events and may also apply off-campus when the Director of Student Conduct or designee determines that the off-campus conduct may present a danger or threat to the health or safety of him/herself or others; and/or impinges upon the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder; and/or is detrimental to the educational mission and/or interests of the University;

The Code of Student Conduct may be applied to behavior conducted online, via email or another electronic medium. Students should also be aware that online postings such as blogs, web postings, chats and social networking sites are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of policy violations is posted online. The University does not regularly search for this information but may act if and when such information is brought to the attention of UNA officials.

The Code of Student Conduct applies to guests of students. Student hosts may be held accountable for the misconduct of their guests.

## INTERIM FREE SPEECH AND ASSEMBLY POLICY

The University of North Alabama (UNA or the University) recognizes and supports the rights of members of the campus community to engage in expressive activities in a manner consistent with local, state and federal law. The purpose of this policy is to promote the free exchange of ideas and the safe and efficient operation of the University. The primary function of the University is the discovery, improvement and dissemination of knowledge by means of research, teaching, discussion and debate. It is not the role of the University to shield individuals from speech protected by the First Amendment to the United States Constitution and Article I, Section 4 of the Constitution of Alabama of 1901, including ideas and opinions they find unwelcome, disagreeable, or offensive. The University protects intellectual freedom and free expression. In balancing the rights of students, faculty, staff and visitors to speak on campus with the University's need to preserve and protect its campus community, expressive activities may be subject to reasonable regulation with regard to time, place and manner, whether inside buildings or outside on campus ground.

Within this policy "expressive activities" include:

- Meetings and other group activities of registered UNA student organizations;
- Speeches, performances, demonstrations, rallies, vigils and other similar events by members of the campus community, which is defined as students, administrators, faculty, and staff, and the invited guests of the University and the University's student organizations, administrators, faculty, and staff;

- Distribution of literature by members of the campus community, such as leaflets and pamphlets;
- Students, administrators, faculty, and staff taking positions on public controversies; and
- Any other expression protected by the First Amendment to the United States Constitution or Article I Section 4 of the Alabama Constitution.

The University supports free association and will not deny a student organization any benefit or privilege available to any other student organization or otherwise discriminate against an organization, based on the expression of the organization, including any requirement of the organization that the leaders or members of the organization affirm and adhere to an organization's sincerely held beliefs or statement of principles, comply with the organization's standard of conduct, or further the organization's mission or purpose, as defined by the student organization.

The University will strive to remain neutral, as an institution, on the public policy controversies of the day, except as far as administrative decisions on the issues that are essential to the day-to-day functioning of the University, and will not require students, faculty, or staff to publicly express a given view of a public controversy.

The University campus is open to any speaker invited by registered student organizations or faculty. The University will not charge fees based on the protected activity of the member of the campus community or student organization, or the content of the invited guest's speech, or the anticipated reaction or opposition of listeners.

The University will maintain and enforce constitutional time, place and manner restrictions for outdoor areas of campus

only when they are narrowly tailored to serve a significant institutional interest and when the restrictions employ clear, published, content-neutral and viewpoint-neutral criteria, and provide for ample alternative means of expression. All restrictions shall allow for members of the University community to spontaneously and contemporaneously assemble, speak and distribute literature. The University provides forums for the expression of ideas and opinions, and outdoor areas are deemed to be a forum for members of the campus community. The University does not create free speech zones or other designated outdoor areas of the campus in order to limit or prohibit protected expressive activities by members of the campus community.

Persons other than members of the campus community may engage in expressive activity in designated campus areas, so long as their expressive activity is otherwise lawful, compliant with University policies and procedures, and does not disrupt the functioning of the University or interfere with the expressive activity of another person or group. Contact UNA Police for locations designated for expressive activity by persons other than members of the campus community.

## GUIDELINES

- The University strongly encourages that all activities be registered with the appropriate office and the desired location be reserved in advance to determine if the space is available and to allow time to make adequate University arrangements. For more information regarding space availability, contact the Office of University Center Operations and Event Management located in the Guillot University Center, room 107, (256)-765-4658.
- If literature is distributed, the party distributing the literature is responsible for cleaning up any discarded literature and restoring the campus to its previous condition.
- Use of campus land is on a temporary basis.
- Time, Place and Manner Restrictions: Expression by members of the campus community may be limited or restricted with respect to time, place or manner only as provided for in this policy or other related statements of policy. For outdoor areas of campus, such limitations shall be narrowly tailored to serve a significant institutional interest (such as avoiding disruption to the function or security of the University; prohibiting conduct that materially and substantially disrupts another person's or group's expressive activity; prohibiting unlawful harassment; avoiding the scheduling of two events at the same time in the same facility; prohibiting the blocking or use of threats to prevent any person from attending, listening to, viewing or otherwise participating in expressive activity; prohibiting conduct that prevents individuals from transacting business or lawful meeting, gathering or procession; etc.)

and to assure compliance with applicable local, state and federal laws.

- No person may engage in conduct that materially and substantially disrupts the protected expressive activity or infringes on the rights of members of the campus community to engage in or listen to a protected expressive activity that is occurring in a location that has been reserved for that protected expressive activity.
- All time, place and manner restrictions must be both reasonable and content-neutral, the latter term meaning that they shall be applied without regard to the content of the expression or the purpose of the assembly. Limitations may include requiring scheduling and planning with the appropriate office, restricting or prohibiting the use of certain areas (i.e., ingress and egress areas, instructional classrooms and areas, laboratories, etc.), limiting amplification within a certain distance of academic buildings when classes or other academic activities are being conducted, and reimbursing the institution for any costs and damages associated with the use of a facility, area or medium.

Nothing in this policy is intended, nor should it be understood, as an endorsement or approval by the University of any speech or demonstration on campus. Given the wide range of expression that occurs at higher education institutions, the use of any institutionally-controlled facility, area or medium for any expression shall not constitute or suggest endorsement by the Board, the University, its administration, staff, faculty, student body or any individual member of these constituencies.

Individuals and groups utilizing University property shall assume full responsibility for any violation of law they commit while on University property.

## NO SMOKING POLICY

The University of North Alabama is dedicated to providing a healthy, comfortable and educationally productive learning environment for faculty, staff, students and visitors. The

University of North Alabama recognizes that smoking any substance presents a public health hazard. As such, it shall be the policy of the University of North Alabama that smoking shall be prohibited on all university owned and operated property both indoors and outdoors.

“Smoking,” as used in this policy, refers to inhaling, exhaling, burning, or carrying any lighted or heated smoking product and to the use of any such other electronic or other device that is used as an alternative to traditional tobacco products and that produces a smoke or vapor when in use. “Smoking products” include, but are not limited to, all cigarette products (cigarettes, bidis, kreteks, e-cigarettes, etc.) and all smoke-producing products (cigars, pipes, hookahs, vaporizers, etc.). “University-owned and operated property” includes, but is not limited to: all outdoor common and educational areas; all university buildings; university-owned/operated housing facilities; campus sidewalks; recreational areas; outdoor stadiums; and university-owned and leased vehicles (regardless of location). Littering campus with the remains of smoking products is also prohibited.

This policy applies to all employees, students, visitors, contractors, and externally affiliated individuals or companies renting university-owned space on university-owned and operated property campus grounds.

Education will be the preferred enforcement method to ensure individuals adhere to the new policy. Individuals that violate this policy will be provided educational information on the new policy and offered a referral for smoking cessation. However, disciplinary action may also be used for repeat violations as indicated below.

- Students will be referred to the student conduct office. Vi-

olation of this policy is a violation of the Student Code of Conduct.

- Employees will be referred to their supervisor and/or appointing authority for appropriate action.
- Contractors will be referred to their respective employers for appropriate action.
- Visitors may be required to leave the campus if they fail to conform to the policy when advised.

## STUDENT COMPLAINT PROCESS

**WEBSITE:** [una.edu/studentaffairs/policies/student-complaint-policy.html](http://una.edu/studentaffairs/policies/student-complaint-policy.html)

---

UNA is committed to reviewing and responding to student complaints appropriately. A complaint is an expression of discontent based on the result of behavior or circumstances that the student believes are unjust, unsafe, inequitable, or create an unnecessary hardship.

This Complaint Procedure applies to student complaints that are not addressed in other University procedures which have established processes for resolution, such as Final Grade Appeal, Academic Dishonesty Appeal, Dismissal from Academic Programs, Student Conduct, or Title IX, unless the complaint is based on discrimination or other forms of inequity, or failure to follow established procedures.

*If a complaint does not fall within established procedures, a student may submit a complaint via the following procedures:*

- A. **Informal Complaint Resolution Process**  
Prior to initiating the formal complaint process, a student complainant should first request to meet with the individual(s) with whom they have a concern. The informal complaint procedure is intended to encourage communication between the parties involved in order to facilitate a mutual understanding of different perspectives regarding the complaint.

There are times when it is not possible to initially address the individual(s) of concern directly. At that point, the student should consider meeting with the Department Chair, Supervisor, or Dean as the first step. If a satisfactory resolution cannot be reached with the individual(s) involved, the student complainant may then request a meeting with the Department Chair, Supervisor, or Dean who shall assist in finding a resolution.

At any point during the informal process, a student may seek resolution with the University Ombudsman.

- B. **Formal Complaint Resolution Process**  
If a satisfactory resolution cannot be reached informally, a student complainant may initiate the formal complaint procedures by submitting the [Student Complaint Form](#) (online, via email, mail, or hand-delivered) to the appropriate Vice President's Office: the Vice President for Student Affairs, the Provost and Executive Vice President for Academic Affairs, or the Vice President for Business and Finance, depending on the area of concern. All formal complaints must be in writ-
-

ing and must be signed by the student. Electronic or digital signatures clearly attributable to the student (i.e., the student's name in an email message received from his or her UNA email account) are acceptable.

Upon receipt of a formal complaint, the Vice President to whom the complaint was submitted will 1) respond to acknowledge receipt of the complaint and to inform the complainant on the next steps, 2) forward the matter to the proper University office for a response, or 3) initiate an investigation as outlined in the following paragraph.

If the complaint can be resolved with a direct response from the appropriate Vice President or by another administrative office, the complaining party will receive a written response within 10 business days of the receipt of the written complaint. If the Vice President feels an investigation is warranted, the complaining party will be informed of the initiation of an investigation, the name of the investigating party, and of the date they should receive a report of its outcome. The investigation should be carried out by the senior administrator of the office/department from which the complaint arose, unless that individual is named in the complaint, and should conclude within 30 business days of the formal complaint, unless extenuating circumstances occur. Once the investigation has been completed, it is the responsibility of the office/department investigating the complaint to recommend resolution to the appropriate Vice President's office, who will determine the resolution.

Following the investigation process and resolution determination outlined above, the Vice President who supervises the area or individual(s) involved in the complaint will provide a written response to the student complainant that will address the appropriate action(s) taken by the University. Once this response has been sent to the student, the matter will be considered closed, and the Vice President's decision is final.

## COMPLAINT TRACKING

The Vice President for Student Affairs and the Provost and Executive Vice President for Academic Affairs offices will track each formal student complaint and will maintain a record that includes, at a minimum, the following information:

- The names of the student(s) initiating the complaint and the individual(s) named in the complaint;
- The date that the Student Complaint was received;
- The student(s) identified with the complaint;
- The nature of the complaint, including a copy of the Student Complaint, to be retained for not less than two (2) years after its final disposition;
- The University official(s) assigned to investigate the complaint and the steps taken to resolve it;
- The date and final resolution or disposition of the complaint;

- Any external actions taken by the complainant, if any, of which Vice President becomes aware.

Tracking of student complaints helps the University identify any serious or systemic problems affecting the quality of the student life and assists in identifying patterns of conduct that raise a legitimate concern with respect to the University's academic or co-curricular programs, and to comply with obligations imposed by federal regulations for receiving, responding to and tracking student complaints.

The information tracked will be made available to regulatory agencies and accrediting bodies, including the Southern Association of Colleges and Schools Commission on Colleges, as required in accordance with applicable laws, regulations and policies.

## STUDY DAY

The intent of Study Day is to provide students with a period of time to study before final exams. Consequently, classes that begin before 5 p.m. during the term are not to meet on Study Day, and faculty are requested not to schedule this day as a deadline for papers, projects, or tests. Student organizations are likewise requested not to schedule mandatory events or activities for this day. Final exams may be given on Study Day in classes that begin at or after 5 p.m. on that day, or the final exam in these classes may be scheduled for the last class meeting prior to Study Day. Academic departments requesting exceptions to this policy should consult with the appropriate college dean.

## REPORTING ON-CAMPUS CRIMES AND OTHER EMERGENCIES

Protecting a diverse campus requires strong partnerships between campus law enforcement and each member of the community. Safety is everyone's responsibility. "See It, Hear It, Report It."

---

To maximize safety on campus, UPD strongly encourages anyone with knowledge about any crime, suspicious activity, or unsafe actions or conditions on campus (either as a witness or as a victim) to make an immediate report to UPD in person or by telephone.

Reporting does not mean you must take legal action. It may, however, help police officers stop further incidents as well as help them keep the community informed

about criminal activity.

To make a report in person, go to the University Police Department, which is located in the basement of Keller Hall adjacent to Cramer Way. To make a report by phone, call 256.765.4357 (Options #1 or #2) and describe the situation to the communications operator. **In emergency situations, including fires and medical emergencies, call 911.** All 911 calls are routed to

Florence Police Department through the Lauderdale County 911 Center.

UNA students requiring non-emergency medical care may contact UNA Health Services at 256.765.4328. Students seeking counseling services may contact Student Counseling Services at 256.765.5215.

Crimes should be accurately and promptly reported to UPD or the appropriate police agency when the

victim of a crime elects to, or is unable to, make such a report. These crimes may include violations of UNA policy, Code of Student Conduct, civil or criminal law, or any suspicious actions.

All UNA employees, staff, and faculty, should accurately and promptly report any potential emergencies to UPD, a Campus Security Authority (CSA), or an appropriate law enforcement agency. Additionally, individuals on campus with “significant responsibility” for student and campus activities are designated pursuant to federal law as CSAs. This includes employees across campus in all areas based on their roles. CSAs should not attempt to investigate but must report potential criminal activity of which they are aware to UPD and allow the police to investigate. Licensed and pastoral counselors are exempted from these reporting procedures and are confidential resources.

All persons in the UNA community, including University employees and students who are not designated as CSAs, are encouraged to assist anyone reporting alleged criminal activity in contacting a designated CSA and/or the local police department in order to file a criminal report and to assist in making the incident report. Failure to report criminal activity to the CSA in a timely manner may result in disciplinary action by the University. Criminal activity may be reported voluntarily and confidentially to the CSA. Counselors are required to provide statistical information relating to crimes on campus but may continue to honor the confidentiality of victims.

### ***Policy Statement: Voluntary Confidential Reporting***

If you are the victim of a crime and do not want to pursue action within the University System or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Chief or a designee of UPD can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the University can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger.

Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

### ***UNA Police Response to a Crime Report***

When you report a crime to UPD, a UNA police officer will meet with you, listen to what happened, and, if necessary, make a preliminary report. Next, investigators will review the report and conduct a follow-up investigation. If a suspect is found and you decide to press charges, information will be presented to a warrant magistrate, who decides if there is legal reason to arrest the suspect. If there is, you will be asked to sign the arrest warrant, which UNA Police officers will serve. A court date will be set; you may have to be present to testify.

### ***If You Don't Want to Make a UNA Police Report and/or Take Legal Action***

UPD encourages you to report criminal activity even if you do not want to take legal action in order to help UPD maintain accurate statistical records. UPD is responsible for preparing the University's Annual Security & Fire Safety Report and for compiling the crime statistics included in the report. University Police would like to keep the community as informed as possible. The information you report may require the UPD to issue a Crime Alert/UPD Advisory/Lion Alert if the circumstances warrant such action.

### ***Reporting Off-Campus Crimes and Other Emergencies***

Victims or witnesses to criminal activity occurring off campus should contact the agency that has jurisdiction:

- Florence Police Department.....256.760.6500
- Muscle Shoals Police Department.....256.383.6746
- Sheffield Police Department.....256.386.5630
- Tusculumbia Police Department.....256.383.3121
- Lauderdale County Sheriff's Office.....256.760.5757
- Alabama State Troopers.....256.383.9212

University Police officers can assist in notifying other law enforcement agencies.

---

## **OFF-CAMPUS HOUSING**

The UNA Police routinely patrol off-campus apartments and respond to calls for the purpose of reporting statistics and for prevention efforts through the Crime Prevention and Community Outreach program. If you believe a crime has occurred at the off-campus apartments, contact the UNA Police at 256.765.4357.

*Fringe Areas of Campus:* While the City of Florence Police Department has primary jurisdiction and responsibility in all areas off-campus, University Police officers can and do respond to most incidents that occur in close proximity to campus. UPD has fringe patrol duties dedicated to providing additional law enforcement presence around the perimeter of campus. UPD regularly meets and communicates with local law enforcement regarding the occurrence of crimes in fringe areas.

If you believe a crime has occurred in close proximity to campus, please report the crime to the City of Florence Police Department at 256.760.6500.

---

## **DAILY CRIME LOGS/SUMMARY OF CRIMINAL INCIDENTS**

The University Police Department compiles statistical information from the contents of the UPD daily crime log, which contains summaries of each day's crime reports made

to University Police and reports made within the campus's geography. The crime log summaries include each incident's location, type, date, time, and disposition of the complaint. UPD crime logs are available for public viewing, 24 hours a day, on the UPD's Daily Crime & Fire Logs/Summary of Criminal Incidents [webpage](#).

## TORNADO EMERGENCY PROCEDURES

Every attempt will be made to announce imminent inclement weather conditions with enough advance notice to facilitate a safe evacuation and closing of the campus and to ensure the safety of staff and students residing on campus. However, should that not be possible, the following information is provided to assist campus community members and visitors in seeking appropriate shelter on campus. During a tornado, stay calm and quickly move to safe areas as noted below:

- If indoors, seek shelter in lowest level of the building. Interior hallways or rooms are preferable. Keep away from windows.
- If outdoors, take cover in the nearest ditch or depression, away from power lines, buildings, and trees. Do not stay in a car or attempt to outrun the tornado.
- After the tornado passes, evaluate the situation and, if emergency help is needed, contact 911 or call the University Police Department at 256.765.4357. Be aware at all times of dangerous structural conditions around you.
- Damaged facilities should be reported to the University Police Department at 256.765.4357. *Note: Gas leaks and power failures create special hazards.*
- Assist the disabled in evacuating the building. Do not use elevators.
- Once outside, move to a clear area away from the affected buildings. Keep streets and walkways clear for emergency vehicles and personnel.
- If requested, assist the University Police Department and/or other responsible parties.
- Do not return to evacuated buildings unless directed to do so by the University Police Department and/or other responsible parties.

**Stay calm.** All emergency response efforts will require clear thinking and cooperation from all members of the campus community.

---

## TORNADO SHELTER AREAS

Please visit this link for an extensive list of all tornado shelter locations:

[una.edu/emergency-management/tornado.html](http://una.edu/emergency-management/tornado.html)

This list is updated routinely in order to include new properties and any building modifications that may incorporate shelter areas. **You should familiarize yourself with the shelter areas in the buildings you frequent.**

In the event the University closes due to storms or tornadic weather, some buildings will remain open to accommodate those needing shelter until dangerous weather conditions pass. The following buildings will remain open:

- Science and Technology Building Storm Shelter (under parking lot at south end of building)
- Residence Halls
- Laura M. Harrison Hall Storm Shelter (east side of Stevens Hall)

## LION ALERT

### *What is Lion Alert?*

Lion Alert is a mass notification system comprised of email, voice, and text messaging and is designed to send emergency messages to thousands of individuals in minutes. Because students, faculty, and staff are constantly on the move, this system provides the flexibility for you to receive emergency messages on multiple devices. It supplements existing means of emergency communication, including outdoor warning sirens and severe weather alert radios.

Everyone who has a University of North Alabama email address will receive emergency alerts to their campus email address. In order to also receive text and voice message alerts, members of the campus community are asked to provide phone contact information. While participation in the text and voice messaging notification is optional, enrollment is strongly encouraged. The information you supply is considered confidential and will not be shared or used for other purposes. You will only be contacted through the system in the event of an emergency.

### *Signing Up for Lion Alert*

Everyone with a UNA email address will receive Lion Alert notifications to this email address. To opt in to text or voicemail, you may log into Lion Alert using your UNA Portal username and password. Click on the words "Lion Alert" at the bottom of the University's [homepage](#). On this page, you will find the "Lion Alert Login" link along with other valuable information. For general information and technical assistance with logging in, you may contact the Office of the Vice President for Student Affairs at 256.765.4698. [Lion Alert FAQs](#) provides answers to questions about your information, how notifications will be sent, and supported features.

### ***Who can sign up for Lion Alert voice and text messages?***

All UNA students, faculty, and staff who have a valid ID are able to sign up to receive text and voice message alerts. You will need to log into Lion Alert by clicking on “Lion Alert” on the bottom of the homepage of the UNA website. On this page, you will find the “Lion Alert Login” link and use your UNA Portal username and password to enter the system.

Campus visitors, community members, and parents may text “35632” to “888777” to receive text notifications of Lion Alerts. Text message rates may apply, and you may opt out at any time.

### ***Will I receive Lion Alert Messages if I don't sign up?***

If you do not sign up with Lion Alert, you will still receive emergency messages via your official campus email address. However, you will not receive text or voice messages. UNA strongly recommends that you provide at least one phone number (cell phone is recommended) for Lion Alert to ensure that you receive important messages in a timely manner. Any contact information you provide will only be used for emergency notifications.

### ***What kind of alerts will be sent?***

The system is only used to distribute information regarding emergencies that dictate immediate action. Examples of alerts include severe weather, building evacuations, dangers

requiring lock-down or shelter-in-place, or other emergencies requiring immediate action. The message will direct you where to go for further information or what action to take. Following a warning, the alert system may be used to provide additional messages or an “all-clear” announcement.

The Lion Alert notification system is tested on a routine basis to ensure that we are able to reach all Lion Alert participants in the event of an emergency.

### ***How does Lion Alert work?***

Lion Alert is a hosted and managed system. You do not need special hardware or software to receive messages. It is a multi-modal service that can disseminate emergency messages through:

- **Email:** An alert message will be sent to your official campus email address. You can also specify a secondary email address for receiving these alerts.
- **SMS Text Messages:** Faculty, staff and students may choose to register a cell phone number for receiving SMS text messages through Lion Alert.
- **Voice Messages:** Faculty, staff, and students may choose to register up to three additional phone numbers with Lion Alert. Voice messages will be sent to these phone numbers.

NOTE: You will receive emergency alerts at all phone numbers and email addresses registered with Lion Alert.

***Can I opt out of the system after I sign up, and can I update my contact information after I have registered?***

You can opt not to receive text or voice mail alerts; however, you cannot opt out from receiving an alert on your official campus email address.

You can log into Lion Alert at any time to update or delete your contact information. Whenever your phone number or alternate email address changes, it is very important that you update this information with Lion Alert to ensure you continue to receive alerts through the system.

***Are there any costs involved if I sign up for the Lion Alert system?***

If you do not have a text messaging contract as part of your cellular service, there may be a small charge for any text messages that you receive.

You should check with your cell phone

carrier to determine what these costs may be. There is no fee assessed to students, faculty, or staff for gaining access to the system.

***How soon will I have the capability to receive text or voicemail emergency messages after I sign up?***

You will be able to receive emergency messages within 24 hours of sign-up. The system is updated on a daily basis.

***Will my contact information remain secure, and will it be used for any other purposes?***

The information collected for Lion Alert is securely maintained and will not be shared. It is only used for notification of emergencies requiring immediate action. How can I recognize messages from Lion Alert?

- **Email:** Email sent from Lion Alert will come from [lionalert@una.edu](mailto:lionalert@una.edu).
- **SMS Text Messages:** Text messages will begin with "Lion Alert" and will originate from phone number 866-665-4384.

- **Voice Messages:** The phone number you will see in your caller ID will be 866-665-4384. You should program this number into your phone so you will immediately recognize it as an urgent call.

***Where can I find additional information about emergency procedures or emergency situations?***

Information about existing emergency procedures and emergency preparedness is posted at [una.edu/police](http://una.edu/police). During an emergency, details and updated information regarding the specific emergency will be provided on the [UNA homepage](http://una.edu).

## TYPES, FREQUENCY, AND DESCRIPTIONS OF CRIME PREVENTION PROGRAMS

The University uses various mechanisms to inform students and employees about the prevention of crime. For example, the UPD annually publishes the [Campus Safety Guide](#), which

provides information on how to report criminal activity as well as practical steps students and employees can take to prevent theft of property and more serious crimes of violence, including physical and sexual assaults. This yearly publication emphasizes that crime and accident prevention starts with the individual and that becoming informed about the University's safety procedures and services outlined in the guide is a good first step toward preventing crime.

Specifically, this guide:

- Highlights Operation ID, a UPD service that offers engraving tools for use by University community members to mark personal property for identification purposes in case of burglary, theft, or robbery;
- Explains how to operate the blue emergency phones which are directly linked to the University Police Department and located throughout campus;
- Sets forth practical and easy-to-implement safety tips for on-the-road traveling, visits to public places, and residential living;
- Lists several safety precautions to prevent acquaintance rape and drug-induced sexual assaults, as well as theft-related crimes;
- Discusses the Victim Assistance Program, which was developed to assist victims of crimes that occur on campus in the areas of criminal prosecution, victim's rights, and victim assistance;
- Provides tips on how to recognize safe off-campus apartments;
- Gives advice on how to comply with local and state laws by abiding by traffic, parking, public nuisance laws, and/or city ordinances; and
- Provides information on how to handle medical and safety emergencies and how to implement Emergency Preparedness guidelines in your lifestyle.

The Campus Security Guide is widely distributed to the campus community and can be accessed online at [una.edu/police](http://una.edu/police).

The UPD also offers a variety of crime prevention/education programs to UNA students and employees. These programs include, but are not limited to, the following:

#### ***Safety Presentations***

Addresses all issues of personal safety, including alcohol/drug abuse awareness, prevention of sexual assaults and property crimes, travel safety tips, state/local laws, etc. Safety presentations, accompanied by brochures and other printed materials, are made to the following groups:

- Parents of New Students;
- New Student Orientation Attendees;
- Residence Hall Students;
- Other Campus Groups or Organizations, such as UNA employees, nursing students, students with disabilities, international students, student government, specific campus organizations, and intercollegiate athletes.

#### ***Printed Crime Prevention Materials***

Crime prevention materials such as the Campus Security Guide are related to personal safety, bicycle safety, residence hall safety, and theft prevention and are widely distributed at safety presentations and at various on-campus locations.

#### ***Rape Awareness, Education, and Prevention***

The University of North Alabama Center for Women's Studies and the Community-Oriented Police program provide rape awareness, education, and prevention presentations to the University community throughout the year.

#### ***Crime Stoppers & Lion Watch***

The University Police Department participates in the local Crime Stoppers program wherein callers may anonymously give information concerning crimes and receive monetary rewards for their help.

UPD has also developed a tip line called "Lion Watch" to assist in reporting any suspicious activity directly to a UPD officer by texting 1-938-222-5115.

#### ***Community-Oriented Policing Program (COP)***

Upon request by University divisions, departments, and organizations, University Police officers attend meetings to provide up-to-date crime prevention information and to hear the concerns of University community members about crime and safety issues. These officers also offer safety programming to their respective campus communities.

#### ***UPD Website***

The UPD maintains a [website](#) for quick and up-to-date information on police, fire safety, and emergency procedures. The University community is encouraged to take a few minutes to browse this site. If you have any questions, call the University Police Department at 256.765.4357

#### ***Community Awareness Programs***

Members of the University Police Department are active participants in University and community sponsored awareness programs. One purpose of these programs is to inform the University community about the many resources available to them through various departments on campus.

## PARKING REGULATIONS AND PROCEDURES

The following Traffic and Parking Regulations are effective December 1, 2015 and are subject to change. Any person who owns, operates, and/or parks a motor vehicle on University of North Alabama (UNA) property submits fully to all rules and regulations outlined in this document. Faculty, staff, and students are responsible for knowing the regulations governing the operation of motor vehicles at UNA as outlined in this publication.

Anyone operating a vehicle in violation of the University parking policy will be held responsible for any such violation. Failure to comply may result in university disciplinary action, fines, vehicle immobilization or impounding of vehicle.

All vehicles operated on the UNA campus must be properly registered and display a current UNA parking permit—twenty-four (24) hours a day, seven (7) days a week.

Registration in itself is no guarantee of a parking space near the place where one works or attends class. The responsibility of finding a legal parking space rests with the vehicle operator. A lack of space where one would like to park is not a valid excuse for violating any parking regulation.

## POLICY STATEMENT

These regulations are prepared and distributed to assist individuals operating and/or parking motor vehicles on University of North Alabama property. The University is committed to providing the highest level of service and ensuring the safest and most efficient use of parking resources.

## AUTHORITY

These regulations are established by virtue of the authority vested in the Board of Trustees in accordance with state statutes. By virtue of the powers granted to the Board of Trustees by the Constitution, the Board of Trustees has the authority to adopt and promulgate reasonable rules and regulations for the management and governance of the institution. These powers may be delegated to various University officials for the governance of students and the administration of University Affairs, Ref: Alabama Code SS16-47-2, 34 (1975).

The responsibility of obtaining knowledge of all laws and regulations in force rests with the motor vehicle operator. Students, faculty, and staff are expected to be familiar with and abide by these regulations. The fact that a violation notice is not issued when a vehicle is illegally parked does not mean or imply that the regulations or laws are no longer in effect.

All ordinances of the City of Florence, Alabama, related to traffic which are not in conflict with or inconsistent with these regulations, are made a part thereof and are enforceable as provided herein.

---

## STATEMENT OF ACCURACY

As a result of the dynamic environment, every effort is made to ensure accuracy of information provided on written material such as maps or University signage.

Many parking transactions and inquiries, including permits, citation payments, and appeals, etc., may be found online at [una.edu/transportation](http://una.edu/transportation). One should consult the website for any recent updates pertaining to rules, regulations, and announcements. This website will supersede any written material as a determining factor.

---

## RESERVATION OF SPACE

The University of North Alabama reserves the right to set aside areas for UNA sponsored and special events (i.e., concerts, athletic events, parades, etc.) in all parking areas of the University campus. The University further reserves the right to temporarily block certain areas of streets and/or parking lots in order to facilitate repairs, with or without notice to the general public. Reasonable efforts will be made to provide the UNA community with notification of reserved parking which may impact the campus.

The policy for reserving space is as follows:

- **All reserved parking requests must be made on-line at [una.edu/police](http://una.edu/police) two weeks prior to the event.** Any requests made after such time will be reviewed on a case-by-case basis. The two-week period is necessary to ensure adequate space, personnel, and/or equipment is available to fulfill the request. If the reserved parking request requires police personnel, the requesting department will be charged for personnel costs. If the reserved spaces are not monitored by the requesting department or police personnel, we cannot guarantee protection against the misuse of cones or spaces. Reserved parking requests will not be accepted via email, telephone, or person-to-person.

---

## GENERAL PARKING REGULATIONS

Anyone who operates a motor vehicle on the University of North Alabama campus is required to register his/her vehicle with UNA Transportation Services and obtain a valid parking permit. This includes all employees, faculty, staff, designated guests, administrative officials, and all students. Persons to whom the parking permit is registered will be held responsible for all citations received by the vehicle. The University of

North Alabama assumes no liability for damages to or loss of any vehicle or vehicle contents while parked on or in operation on University property.

All City and State rules and regulations, as well as all directive signs governing the use of motor vehicles, shall be observed at all times. UNA Transportation Services has the authority to require individuals to present a student ID, driver's license, or vehicle registration at any time to address any issues pertaining to permits, citations, towed vehicles or immobilized vehicles.

Employees may not transfer, lend, or give their permit to children, relatives, or acquaintances attending classes at UNA. All students must obtain and display a classified student permit and park in their designated area. Students who park vehicles in GREEN zones will be cited.

The University Police Department may cancel the registration of any vehicle judged to be unsafe or which makes excessive noise.

In the event of mechanical failure, the owner or driver will be responsible for removal of the vehicle as soon as possible. The University Police Department should be notified of its location.

All vehicles must be registered with UNA Transportation Services and must display a permit or request temporary validation virtually through the Transportation Services office.

Parking regulations are in effect 24 hours a day. Bicycles should be left in designated bicycle racks only.

Campers/trailers and boat trailers are prohibited on campus. Space is available on Stewart Avenue (behind the baseball stadium) to accommodate campers/trailers.

Vehicles are to be parked in a designated parking space only (within lined spaces). Vehicles are not to travel on or be parked on sidewalks, paths, lawns, grassed/landscaped areas, curbs, or any other area not designated for vehicular traffic or parking.

Pedestrians shall use crosswalks. No pedestrian shall suddenly leave the curb or other place of safety and travel into the path of a vehicle which is so close as to constitute an immediate hazard. When traffic control signals are not in place or not in operation, motorists shall yield the right of way to pedestrians within a crosswalk. Where traffic control signals are in place, pedestrians shall cross with the pedestrian crossing sign or traffic signal in absence of a crossing sign.

---

## PARKING DESIGNATIONS

The University does not guarantee a parking space near the place where one works or attends class. Responsibility for finding an authorized parking space in the proper zone rests with the operator of each vehicle. **Lack of space or inclement weather is not a valid excuse for violation of these regulations.**

Visit [una.edu/map](http://una.edu/map) for an interactive map of the UNA campus and parking locations.

Employees and students operating a vehicle on the University of North Alabama property must be registered with the UNA Transportation Services division and a proper parking permit obtained. Vehicles must be registered through the UNA Parking Portal online at [una.edu/transportation](http://una.edu/transportation). ## **DOCUMENTS NEEDED TO OBTAIN PARKING PERMIT AND JUSTIFICATION**

### ***Tag Receipt / State Vehicle Registration***

This documentation is required to be retained in your vehicle and to be provided with proof of insurance and driver's license in the State of Alabama for moving violations. ### ***Mane Card***

This document is needed for the purposes of parking enforcement (placing holds on delinquent accounts).

### ***Driver's License***

A valid state-issued license is needed to verify the identity of the permit holder and to verify that the holder is legally authorized to operate a motor vehicle.

### ***Written Assurance of Confidentiality***

Any information obtained during the vehicle registration process is held in strict confidentiality. Tag and driver's license information cannot be accessed by the general public. Only law enforcement officials can access driver's license and vehicle information via LETS/NCIC.

### ***Display of Parking Permit***

Permits must be hung from the rear-view mirror in a manner that is visible from the front of the vehicle and displays all

permit information. Permits must be visible at all times. Parking permits not fully displaying all permit numbers will be cited for improper display.

## TEMPORARY PARKING PERMITS

### *Handicapped*

Persons with permanent handicaps are required to obtain a handicapped parking permit from the Probate Judge's office of the county in which they reside. Persons who are temporarily disabled may obtain a temporary handicapped parking permit from UNA Transportation Services upon presentation of a doctor's request. A temporary handicapped permit will only be issued for the period that the doctor states to be the expected period of disability. The permit must be renewed should the disability continue after the expiration date. A handicap permit verification will be issued by UNA Transportation Services and will be required to be displayed along with the registered parking permit.

### *Conferences, Institutes, and Meetings*

Visitors attending conferences, institutes, workshops, and meetings will be provided parking as space is available. UNA departments sponsoring such events are responsible for making the necessary arrangements prior to the event through the University Police Department. Permits will be provided by UPD or Transportation Services when necessary and may be issued to an identified "permit custodian" within the requesting department. Reserved parking CANNOT be permitted without prior approval through University Police or Transportation Services divisions.

### *Temporary Vehicles and Lost/Destroyed Permits*

A student or employee having a currently valid registration who must borrow or rent another vehicle due to mechanical failure, loss, theft, or family use of their registered vehicle should add and activate their temporary vehicle to their UNA Parking Portal at [una.ops-com.com/login](http://una.ops-com.com/login) in order to display their permit in the temporary vehicle. If the permit resides in the registered vehicle, you may request a temporary virtual

permit through your UNA Parking Portal under the "Forms" tab. If your vehicle was involved in an accident resulting in the loss of the parking permit, UNA Transportation Services will issue you a letter for your insurance company requesting reimbursement.

Final decisions rest with your insurance carrier. Lost or stolen permits should be reported immediately. Replacements for lost, destroyed, or stolen permits will cost \$25.00.

## VIOLATIONS, FINES, AND PENALTIES

### *Moving Violations*

All vehicles committing moving violations of the Alabama Uniform Rules of the Road will be issued an Alabama Uniform Traffic Citation by UNA Police Department for appearance at the District Court of Lauderdale County.

### *Parking Violations*

The fine schedule for violation of UNA parking and traffic regulations is as follows:

Note: A discount of \$10 is eligible for citations paid within 10 days.

(See chart below for more details.)

All fines are subject to change and should be viewed at [una.edu/transportation](http://una.edu/transportation) for current fine amounts.

### *Payment of Fines*

Fines may be paid in person to UNA Transportation Services by cash, check, or money order. Debit/credit card payments may be submitted online at [una.edu/transportation](http://una.edu/transportation) through the UNA Parking Portal. Payment instructions and additional information are provided on the citation.

Students not paying a fine or filing an appeal within ten (10) days of the date of the citation will not be eligible for discount amount stated on the citation. Also, a Financial Hold will be placed on permit owner's University account and will not be removed until all fines and late fees have been paid in full.

| Violation                   | Fine      |

## APPEALS

### *Moving Violations*

Persons receiving Alabama Uniform Traffic Citations may appear at the Lauderdale County District Court on the date shown on their citation if they wish to contest the citation. Payments for Uniform Traffic Citations are handled by the Lauderdale County District Court Clerk's Office.

### *Parking Violations*

Persons receiving UNA parking citations may appeal through online appeal process at [una.edu/transportation](http://una.edu/transportation).

It is the policy of the University of North Alabama that any appeals should be processed by the University Parking & Traffic Committee. Handicap accessible and fire lane parking violations are non-appealable \$100 fines (if paid within 10 days).

Appeals may not be filed more than ten (10) days after the date of issue.

If an appeal is approved by the Parking & Traffic Committee, the citation(s) appealed will be voided.

If an appeal is denied by the Parking & Traffic Committee, the citation(s) must be paid in total and no discount will be eligible. A Financial Hold will result from failure to pay denied appeals in a timely manner. The following reasons are NOT acceptable grounds for dismissing a parking or traffic citation.

- Lack of knowledge of the Traffic and Parking Regulations;

- Inability to find a proper parking space/no parking space available;
- Inclement weather;
- Late for class;
- Parking illegally for a short period of time;
- Parking illegally because other vehicles were doing the same;
- Failure of officers to ticket previously for similar offense; Disagreement with the Traffic and Parking Regulations;
- Financial hardship;
- Appeal must show merit and should provide details of extenuating circumstances and truthful information.

## ADDITIONAL VIOLATIONS/DISCIPLINARY ACTION

Counterfeiting, altering, defacing, misusing, stealing, or transferring a permit from one person's vehicle to another person's vehicle for which no permit was issued or giving false information in an application for a permit will be referred to the Office of Student Conduct for disciplinary action if a student is involved and referred to a supervisor if an employee is involved. The Department of University Police is authorized to revoke the parking privileges of any person engaging in the above activities. Any person parking a vehicle on campus that has had the registration/permit revoked will be towed or

booted at the owner's expense.

Any vehicle accumulating four (4) or more violations will be booted until such time as the vehicle becomes properly registered to park on campus and/or until all fines are paid in full.

## TOWING/IMMOBILIZATION OF VEHICLES

Situations which may warrant towing of vehicles include, but are not limited to, the following: vehicle(s) causing a safety hazard; obstructing traffic; blocking a fire hydrant; parking in a fire lane; parking in a handicapped space, on a yellow curb, or in a loading zone; or abandoning a vehicle. Any person parking a vehicle on campus that has had the registration revoked or in persistent violation of parking regulations may be cited accordingly and towed/booted at the owner's expense.
